Project Development Phase
Model Performance Test

Date	10 February 2025
Team ID	SWTID1743520710
Project Name	Project – ShopEZ
Maximum Marks	

Model Performance Testing:

Project team shall fill the following information in model performance testing template.

S. No.	Parameter	Values	Screenshot
1	**Model Summary**	This project is a full-stack e-commerce web application designed to provide users with a seamless online shopping experience. It features product listings, a shopping cart, user authentication, and a responsive design.	Attached
2	**Accuracy**	As this is a web application, traditional model accuracy metrics are not applicable.	Attached
3	**Fine Tuning Result (if any)**	Not applicable, as the project does not involve machine learning models requiring fine-tuning.	Attached
